Prof. WU Bin Jiang's Traditional Chinese Medicine (TCM) Courses in Budapest, Hungary, 26 August – 2 September 2015

Traditional Chinese Medicine (TCM):

Methods of TCM's are the following: the real TCM Diagnostics, Acupuncture, Tui Na (Traditional Chinese Massage Therapy and Acupressure), Breathing/Meditative Therapy (Qi Gong or Chi Kung), Tai Chi Therapy, Reflexology, Moxibustion, Cupping as well as the Chinese Herbal Therapy etc. such as **Dr. WU's Head Massage**.

The OCTCM:

The Ontario College of Traditional Chinese Medicine (Canada) is one of the best TCM educational institutes in the Western World **accepted by WHO** (World Health Organization of UN) giving an extremely high quality professional TCM education. Prof. Bin Jiang WU, President of OCTCM has spent his first years in the Western hemisphere in Hungary.

The European TCM Education of OCTCM now in Hungary:

The TCM's methodes taught by Prof. WU in Hungary form a **MODULAR SYSTEM**. Curriculum of each Modules can be used separatedly!

Teachings for Whom? For Everybody!

For Everybody, and not only for Practitioners.

For Everybody who are curious and openminded enough to study.

For Everybody who are interested in keeping or restoring their own health and their family's health.

... and of course for Specialists too:

- Practitioners and Natural (or Alternative) Practitioners,
- Psychologists and Helping Professionals,
- TCM Practitioners (CMD's),
- or any Healers and Helpers who are Newcomers in the field of TCM,
- Massage Specialists,
- Teachers and so on.

The Courses in August 2015:

1.) WHM - Dr. Wu's Head- and Face Massage

26 - 29 August,

9.00-18.00

The well-established and already on three continent successful Dr. Wu's method of Head- and Face Massage for stress-releasing, beauty enhancing and diseases-treating (in the case of preventing or aftercare too); with the self-treatment method.

2.) TCM Diagnostics & Treatments – Not Only for Doctors!

30 August – 2 September,

9.00-17.00

a.) PULSE Diagnosis – Not only for Doctors!

One of the most important Diagnostic Methods of the 'Four Examiner Methods' of TCM. The pulse can show the condition of internal organs and systems of human body. Thorough examination of the rythm, fullness, depth, length and dynamics of the pulse taken on the left and right wrists we become able to determine and choose the best TCM treatments needed.

b.) TCM Treatments by Acu-Points for 10 COMMON DISEASES - Not only for Doctors!

Effective, safe and free of side-effects TCM Acupuncture and other Acu-Treatment methods to treat following 10 diseases or bad conditions:

- 1, 感冒 — Common cold and flu;
- 2, 不寐 — Insomnia;
- 3, 郁病 — Depression;
- 4, 癲狂 — Manic—Depression;
- 5, 痴呆 — Dementia;
- 6, 癩病 — Epilepsy;
- 7, 震颤 — Tremor;
- 8, 中风 — Stroke and its sequelae;
- 9, 风疹 — Rashes;
- 10, 湿疹 — Eczema.

Languages: English (and translation to Hungarian).

Highly Professional:

Professor WU is an exceptionally highly educated and initiated a great teacher. His courses provide both a very practical knowledge and the necessary theoretical foundations of TCM. Although our Courses are held for any newcomers but these Courses are suitable enough to teach new, important and profound knowledge for the most skilled and proficient practitioners too!

Preconditions of Participation:

Prof. WU's Courses are intended for taking part of the widest possible range of people who may have not got any previous experiences both of TCM or Modern Western Medicine. So there is **not any preconditions for taking part** on our Courses.

Location of the Courses:

Budapest, 8th district, Rákóczi tér 2. 2nd flor (1st flor Hungarian way), Hungary, H-1084 just next to the Line 4 subway station building.
