**8th International Conference of Western Studies on
Chinese Medicine & 2020 Canadian Acupuncture and
TCM Continuing Education Conference**

As the Member of Parliament for Markham-Thornhill, I am pleased to extend my warmest greetings to the Ontario College of Traditional Chinese Medicine on the occasion of the 8th International Conference of Western Studies on Chinese Medicine and 2020 Canadian Acupuncture and TCM Continuing Education Conference.

While COVID-19 has complicated meeting in person — thankfully, technology allows the great minds of this conference to connect virtually this weekend. During a year so focused on global health, I cannot think of a more fitting time to discuss different methods and approaches to our well-being.

Ontario College of Traditional Chinese Medicine has led the way for Canadian acupuncturists and TCM practitioners, who in turn, have made a great difference in communities across the country. Their accessible approach to education allows students of all abilities to learn from the experiences of experts from around the world.

I send my best wishes to all those participating in the virtual conference.

Sincerely,

Hon. Mary Ng, P.C., M.P.
Member of Parliament
Markham-Thornhill

BOB SAROYA, M.P. Markham-Unionville

Greetings from the Member of Parliament for Markham-Unionville

As the Member of Parliament for Markham-Unionville and Shadow Minister for the Queen's Privy Council for Canada, I would like to send my best wishes to the Ontario College of Traditional Chinese Medicine on the occasion of **"8th International Conference of Western Studies on Chinese Medicine and 2020 Canadian Acupuncture and TCM Continuing Education Conference"** on August 30, 2020.

This weekend members of the acupuncture profession will join together to share their knowledge and techniques which have provided positive benefits to many people from around the world.

I would like to congratulate the Ontario College of Traditional Chinese Medicine for promoting safety during this COVID-19 pandemic and for organizing this conference virtually. Let's all continue to work together to control the spread of the virus and please stay safe.

Warmest regards,

Bob Saroya

Member of Parliament for Markham-Unionville
Shadow Minister for the Queen's Privy Council

Greetings from Jean Yip Member of Parliament for Scarborough-Agincourt

On behalf of the Government of Canada and the people of Scarborough-Agincourt, I am pleased to extend my warmest greetings to everyone attending the 8th International Conference of Western Studies on Chinese Medicine and 2020 Canadian Acupuncture and TCM Continuing Education Conference.

I would like to commend the organizing committee for their tireless efforts in making this year's conference possible and hosting this on a virtual platform during these challenging times. "Western Studies of TCM, and the inheritance and development for the benefit of the international community" is the theme of the conference. It is important to make use of the advantages of traditional Chinese medicine in the modern medical practices.

Traditional Chinese medicine is also deeply embedded in the Chinese culture. Thank you to all the organizers, sponsors, speakers and volunteers, for fostering discussions and cultural exchange in our medical community year after year.

Please accept my best wishes for a successful conference.

Sincerely,

ONTARIO

Member of Provincial Parliament

Greetings from Billy Pang, MPP 彭錦威

As the Member of Provincial Parliament for Markham-Unionville, I am pleased to extend my best wishes to the **Ontario College of Traditional Chinese Medicine (OCTCM)** for hosting the **8th International Conference of Western Studies on Chinese Medicine and 2020 Canadian Acupuncture and TCM Continuing Education Conference**, taking place online on August 29th and 30th, 2020.

This conference will be an excellent occasion to bring together globally the highest tiered TCM acupuncture experts and share the most advanced and well-practiced methods and techniques within different TCM categories. Events like these offer unique way of showcasing the wonderful parts of Chinese heritage and creating integration and connections between communities. With an online platform this year, more people will be connected and engaged together for an educational forum shared without boundaries.

Congratulations to the organizers for putting this wonderful conference together. Please accept my best wishes for a successful event

Sincerely yours,

Welcome Speech

The 8th International Conference of Western Studies on Chinese Medicine and 2020 Canadian Acupuncture and TCM Continuing Education Conference will be held from Saturday, August 29th to Sunday, August 30th, 2020 in Toronto. Due to the current situation of the COVID-19 pandemic in Canada, the conference this year will be online instead of an in-person meeting.

The conference is hosted by the Ontario College of Traditional Chinese Medicine, Yunnan University of Chinese Medicine, and TCM Acupuncture Inheritance Committee of WFAS. The conference is organized by the DC Acupuncture and TCM Inc, Yunnan University of Chinese Medicine's Institute of Western Studies on Chinese Medicine, Hanban Confucius Institute Headquarters International (Western) Chinese Medicine Culture Promotion and Research Base, Inheritance Toronto Base for Acupuncture-Moxibustion of TCM World Federation of Acupuncture-Moxibustion Societies (WFAS). It is co-organized by the International Association of Dr. Wu's Head Massage, Dr. Wu Naturals Canada Inc, International Health Qigong Federation, World Federation of Chinese Medicine Societies (WFCMS), World Federation of Acupuncture-Moxibustion Societies (WFAS) and supported by many other organizations.

The theme of the conference is "Western Studies of TCM and the inheritance and development for the benefit of the international community." The purpose of the conference is to "strengthen the advantages of traditional Chinese medicine and improve clinical efficacy." This academic conference will help the development of the "Belt and Road" in North America.

This summit forum and academic conference will bring together leading experts and scholars from academia in China and around the world. We would like to thank all the TCM experts and scholars from all over the world, especially Ontario, Canada, for their support and participation in the past six academic conferences in 2009, 2011, 2016, 2017, 2018, and 2019.

We sincerely invite domestic and overseas traditional Chinese medicine practitioners, acupuncturists, researchers from various Chinese medicine universities, and leaders of major pharmaceutical companies and medical equipment companies to participate in this conference.

Thank you very much for your support. We are looking forward to all of our fellow experts and friends exchanging knowledge with each other.

Finally, I wish for the conference to be a complete success!

Prof. Bin Jiang Wu, Ph.D., R. TCMP, R. Ac.
